LAUREN PHOENIX RISING

Fortunately for you guys, we girls are easily impressed. Whether you can play guitar, throw a football or change a tire, we girls are going to be into you. That was the case with this computer geek I met at the Apple store when I went in to buy myself an iPod. I was impressed with all that he knew and how he could convey that to me so easily. I flirted with him at the store, bought the iPod. A day later I went back in and asked him if he could show me how to upload music to it...

He told me that I needed to hook it up to my computer, do this other stuff and music would get downloaded. I drew a blank at almost everything and so he agreed to come over and help me, even though he wasn't supposed to. Well, he got my iPod up and running and I wanted to thank him. Should I tell you what I did, or let your imagination work on it. Whatever you choose, check out my hot anal video scene. It sizzles?

SONIA'S BUBBLE BUTT

I'm blessed. I have a great butt and I know how to use it. I use it to get my way. Of course my cock-sucking and fucking skills don't hurt either. But it's my butt that ciommands attention and I love it.When I was younger, I was a bit embarrassed by it. Sometimes the biys would make fun of it, but in college, I think the guys appreciated it and it's been that way ever since.

I entered many rump shaking contests over these past few years and there were very few of them that I did not win. My Latina heritage helped a lot because we learn how to shake it from an early age. But my butt has a little secret. It's never been penetrated. With all the pressure to do so, I'm still an anal virgin and plan to keep it that way until I meet the very right man. As far as I know he may be reading these words right now!

STROKAHONTAS & NADI-LICIOUS

Nadi flew all the way into LA when she found out she'd be shooting with Strokahontas. They met a few months ago on another set and became instant friends, but did not do a scene together then. This time they would. When the two met at the set they were all over each other. Hellos turned into kisses and kisses turned into, well, you know.

They couldn't wait to get their hands on each other. While the crew was setting up the girls were in the makeup room and so horny that Nadi stared licking Strokahontas' pussy while she was getting her makeup done. Strokahontas returned the favor when Nadi was in the chair. Later they told us that each one of them came, and the makeup artist confirmed it. Too bad we didn't have cameras in there at the time but we got some really hot footage and great photos of the two. You can watch them lick and fuck each other online. Enjoy.

Dear editors:

Ed: Jack from Raleigh does not specify which lady he's referring to; only a fantasy story. But we thought the letter interesting enough to print it for you.

You are one hell of a woman to watch. I've been in love with you from the longest. You're in my eyes, the most beautiful, sexy, seductive hottest MILF I've seen. I just love older women and I'd be having serious fantasies about you. Your layouts are the only pictures that turn me on. I just turned 33 years old and I have a gifted nine-inches of hard dick. I can definitely imagine me grabbing your hips and fucking you hard and rough. Can you take it?

I don't expect you to act like a lady neither. You'd be surprised what I can teach you. Don't let my age fool you. You're my wildest fantasy and I'm ready to do everything you tell me as long as I can have you any way I want. I make love to your picture three times a day. You have a beautiful pussy and it stays wet.

I love eating pussy and I'll eat yours all night long. I have nice size tongue; I'll eat your pussy and asshole at the same time. I know you say you don't do anal, but how can you resist nine inches. I'll slip your tight little asshole wide open. Your pussy looks kind of tight also. I promise I'll treat you like a queen in the beginning. Lord knows I wish I could have an intimate encounter with you. The sun and the moon exchange places but I wanna embrace you and exchange faces. Get a chance to know you with no questions. I know you're hungry for some young loving. I'm very aggressive and demanding and rest assured I'd have you hooked and screaming for more. I'm excited just writing this message. I see you know, sucking my dick while your fingers popping yourself at the same time. If only for one night, I'll fuck your brains out while you're reverse cowgirl. My performance is exotic and obviously possible. I'd do anything to make love to you and give you a tongue bath. I hope to hear from you soon. In closing, it'd be real special to have the chance to meet you. Love wouldn't have anything to do with it. And I'm quite sure for you to be in your groove is intact. It'd be a dream come true. Until I look at your pictures and we meet, stay as beautiful as you are. Soft words from a hardened cock.

We'd love to know who the mystery girl was in Jack's letter, so, Jack, if you see this issue, please drop us a line and let us know. You've piqued our interest and we can't afford to have our interns combing the files looking for her.

Jack, Raleigh

PS: To whom it may concern: this is Jack... If this letter does not reach its intended destination, please send it to heaven, because it was meant for an angel...

Editor:

This is a true story that happened to me. It was warm in the empty laundry room of my apartment building and the hum of the few washers and dryers lulled and comforted me after a long day at work. To pass the time, I put on my headphones and settled into the sounds on my music player. I closed my eyes and relaxed against the washer, lost instantly to music, and the vibrations from the washer which enveloped me.

Not ten minutes into it, my mind wandering from song to song, I leaned forward across the washer, swaying my hips to the beat. Suddenly it was then that I became aware of the lightest of touches against my neck, and then another on my shoulder as soft hands reached around moving against me. I feel a warm, hard body as the straps of my dress slip from my shoulders to my arms. Soft kisses on my cheek, neck and shoulder and I arch my back and turn my head around towards the warmth.

My eyes are still closed when warm lips find mine. First softly they kiss me, sweetly caressing mine, then more urgently until a searching tongue finds its way between and is met with mine. The unknown hands leave my shoulders. One finds its way inside my dress to my breasts, nipples now awakened by the rough touch, are pinched and tormented. The other hand slips lower, just barely brushing against stomach until it slides my hem up to reveal my panties and then slips inside the elastic band.

I find myself grinding against a sudden hardness pressing against my lower back and at the same time against the two fingers that have opened me up to allow the third to work expertly on my clit. I moan desperately as it is slowly dipped inside then back again precisely rubbed across its now slick target. Like the clothes in the washer in front of me, I am being worked to lather. I cannot contain a shiver as I feel my undies peeled to the side from behind and I am lifted slightly.

A hot, hard cock slides easily between my thighs and presses against my wet swollen clit, lingering and retreating. I cry out as I am driven crazy by the sensations and my legs are trembling and then when strong hands hold me by the hips, the thrusting begins at last. I am pressed hard against the washer which is now vibrating madly on its spin cycle, sending delicious sensations through me from the front while I am riding against him from behind.

The soaked lace from my panties is rubbing across my clit with each thrust sending tremors through me and I feel myself clamping down onto his cock as I start

to cum. Crying out I fall forward onto the washing machine which finished its spinning, just as I did.

Suddenly the earphones are roughly pulled from my left ear. A woman's voice is asking me if I am alright. I open my eyes and notice it's the manager. I say, "Yeah, yeah. I'm alright." as I look around the room searching for that warm, hard body.

Adelle, Tempe, AZ

To the editor,

My girlfriend and I like to play a seductive little sex game before the main act. I'm writing because it may help some of your readers enjoy a more varied sex life. It has sure worked for us and even though we've been together only five years, it's really spiced things up.

And it goes like this... We are going to go this week to a local hotel. There's no pretense that this is for anything but the satisfaction of our sexual desires. We have done this before, but this time we've been emailing each other I told her that I was bringing something new this time.

We agreed to meet at eight, and I'm first to the room. I have nothing with me except the clothes on my back and a paper bag containing various items. I pull the covers off the bed so only the sheets are exposed. On the pillows I lay out six different items that will be our amusement for the evening. These consist of a a bottle of champagne bottle, a small Pocket Rocket, a whiffle ball, a Water Pik, a Persian cucumber, and large Butterfinger candy bar. I bet you can guess what's going to happen and you're probably right. But to be reading this, guessing about it and doing it are all completely different things.

Two minutes late, she enters the room. I'm sitting on one of the two chairs. She walk over to me and kisses me a light 'hello' while eyeing the objects on the pillows. She whispers that she likes the selections and proceeds to the bathroom. Moments later she comes out totally nude. She has a tight cheerleader body with small but beautiful breasts.

Let the games begin. But first the rules: I have written on a piece of paper the order in which I think she will choose the items. She has only one hour to use all of them in the order she wants. I cannot touch her or say anything during that hour. The object is to see which will get her off either the fastest or the best. She can be in any position she wants, but can only finger herself for a minute with any object. She can only use one at a time and only in her pussy for this affair. After the hour is over, she'll tell me which object satisfied her the most and why. Then that object will go into out Hall of Fame while we enjoy it together, later.

Now, dear readers, the object of this letter is not to describe my girlfriend getting off using these items, but to encourage you to try something new and do something a bit more exciting in your sex life.

So... here are the results...

She selected the Pocket Rocket first, the cucumber was second, the Water Pik third, the whiffle ball fourth, the champagne fifth and the Butterfinger was last. My choices matched hers except I had the champagne after the Butterfinger.

And the winner that she selected was, the Water Pik. She said she liked how the warm water felt on her clit and that she could use the base as a vibrator! A real winner, she said.

Barry and Mindy

I have to admit that I'm a bit of a homebody. I also have to say that sex in the bedroom can get a little boring so when John booty-called me and wanted to come over, I said under one condition. We do it in the kitchen this time. So I cleaned the counters, washed the dishes and spruced myself up for what was going to be a hot afternoon, and you get to watch.

KYLIE IN THE KITCHEN

So there's a knock at the back door and it's John looking all buffed and ready for action. I offer him a glass of wine since I already have a head start but he declines. I tell him to drop trou and immediately I start on his big cock. I love the taste of cock in the afternoon, and I love to have it deep in my pussy. I get all wet and horny waiting for it to split my pussy lips and plunge inside. I don't think there was a spot in the kitchen that we didn't leave our wet marks on. We played all afternoon. Now that was a lot of fun.

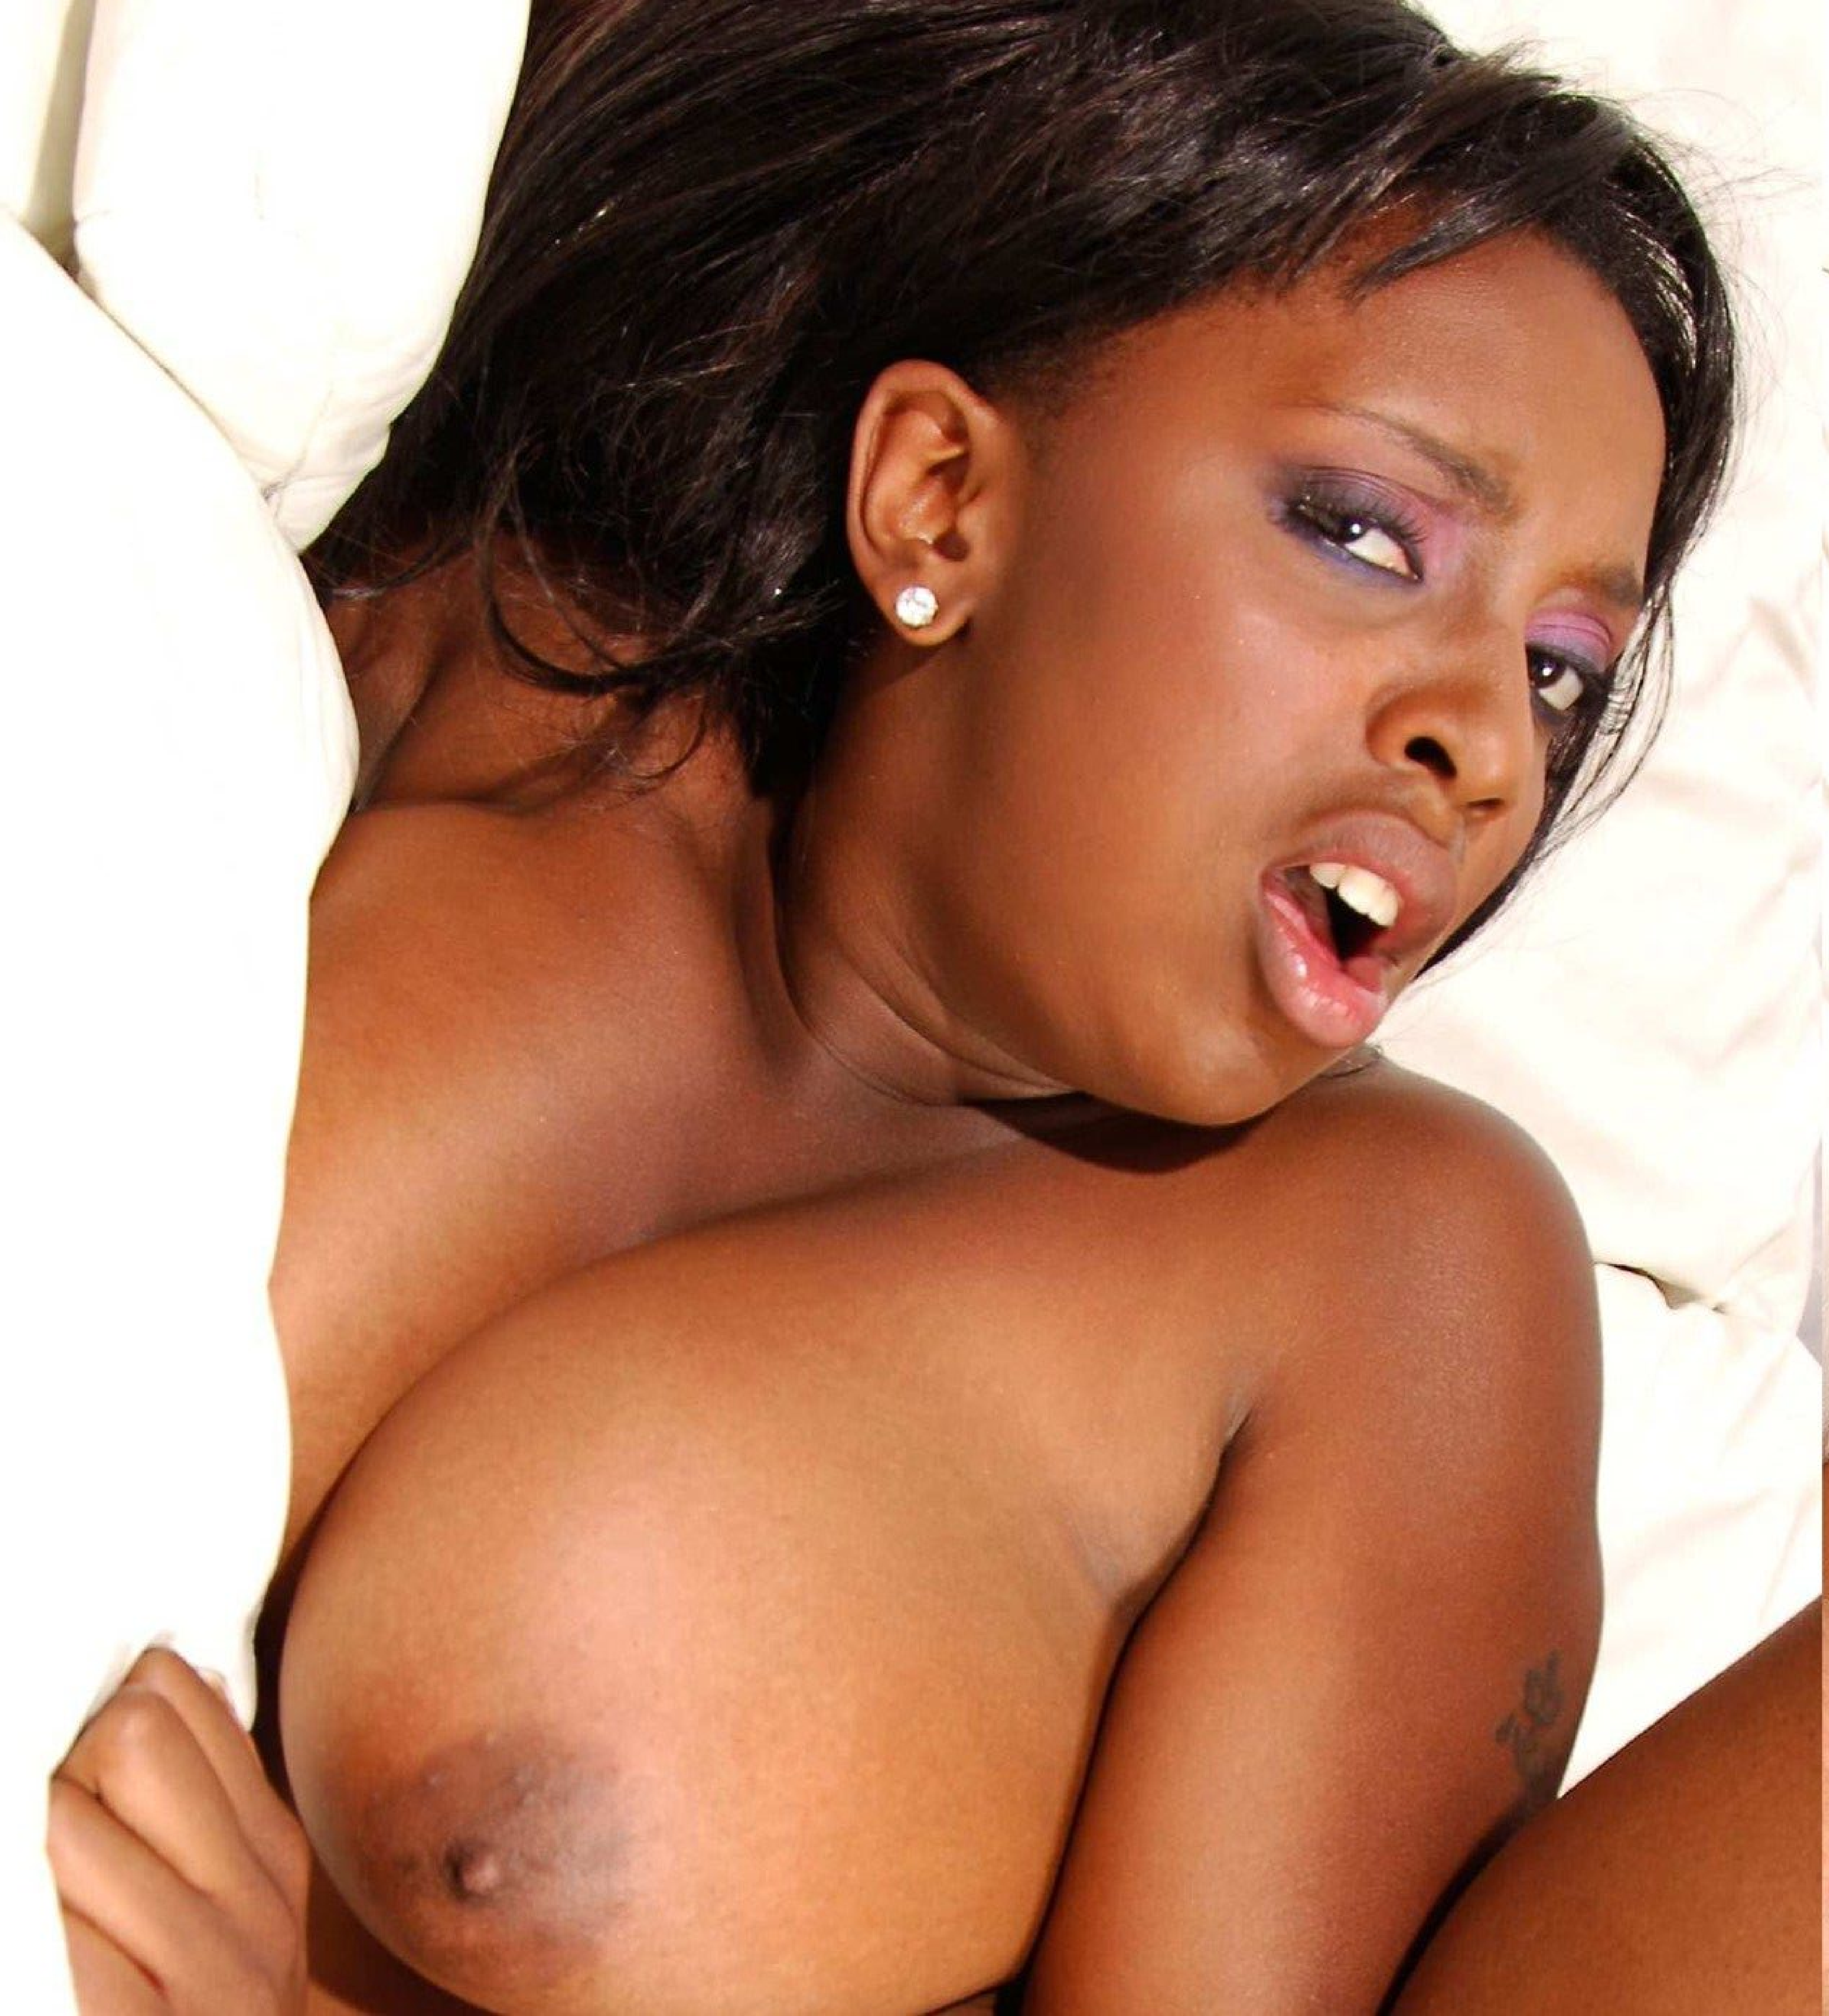
MS PANTHER ON THE PROWL

They're just boobs. They're just boobs.

And guys love 'em (girls do, too!). I blossomed as a teenager and by the time I went to college I was quite top heavy. It was a problem when I did gymnastics on the court, but they are quite nice when I do gymnastics in the bedroom. They really add another dimension to sex and lovemaking – if you know how to use them.



I would see pictures of guys with their hard cocks between a girl's boobs as she smushes them together, but never thought how that could be sexy for a girl. Well, looking at pictures or even a video is not, but in person, it's a different story. What the images don't, or can't show, is the feeling of the sex session. You are pulled into the heat and eroticism of fucking and a cock between your boobs all of a sudden is a big turn on, even for me. And guys admit that they find it a big turn on, too.

IT'S NOT THE PIZZA TALKING

It's a nice dinner with a good friend, good conversation and a good fuck!

Earlier tonight we came home after a wonderfully romantic dinner at Round Table Pizza (for you haters, any place can be romantic if you're with the right guy), that's right. We each tried one of their new Artisan Pizzas and it took us over an hour to eat them. In between bites we were so engrossed in each other we could have fucked right there in the restaurant. Only having been together a month, the romance was new and the sex was – out of this world. We took or time getting back to his place, but no time in getting into his bed.

I've only been with a few other guys, but this one really rocks me. I love everything about him, I want to eat him up, and between you and me, I think I might just end up marrying him. I'm 20 and he's 22. So we freshen up and jump into bed. Wasting no time, I start playing with his cock. It got amazingly rock hard rather quickly. Amazing, this thing called a penis. His hardness was a happy surprise for me because all of a sudden he gets on top of me and starts screwing me furiously. Instantly, my body responds to this roller-coater ride and my tongue just starts tracing over his neck and face as we do this. My mouth wants what my pussy has, but for now I let the greedy bitch have her way with him.

There's a thing that happens with his cock that amazes me since I've not been around that many and have found those I've been with as different as the guy they're attached to. When he fucks me, I get a sensation as if it is telescoping into my pussy. As if it is one length outside me, but seems to grow longer and wider as he goes deeper into me. And that's what happened tonight. That telescoping cock did its perfect thing and I came with this wonderful gushing wet feeling all over. Oh so how I loved this sex. It was simple, but so effective.

There was one other thing he did that amazed me, too. He did something I never experienced just as I thought we were winding down for the night. I was still lying beside him and had probably already had about a dozen or so orgasms, though they're kinda hard to differentiate when they're the kind that blend together into one very long one. We're laying there basking in our latest climaxes when he rolls me onto my stomach and pulls my hips up so

> *Then quickly he graduates to his tongue. He mimics his fingers, but he knows it's softer and wetter. It too swirls around my little button and flicks it as it passes by.*

I'm now on my knees with my ass in the air. Then he starts playing with that tender spot between my clit and vagina after parting my labia. He starts with his fingers playing around the area with little sweeps of the fingers, soft pinches and an occasionsal probing entry into my wetness. Then quickly he graduates to his tongue. He mimics his fingers, but he knows it's softer and wetter. It too swirls around my little button and flicks it as it passes by.

Well, I got a sensation I never had before. I think a different type of climax occurred when my pussy was approached from the back rather than the normal way from the front. What's amazing is that it's the exact same spot being stimulated. I wish I could tell you exactly what he was doing, but I was a moaning, sweaty limp mess by this point.

I think he was fingering my ass while something else was softly pushing into my pussy lips and engaging this special spot just below my clit. It gave me this soft, creamy feeling that was really sweet. Much of this night was like that – creamy and sweet. I kept having orgasms from the slightest wisp of a touch in just the right places. Sometimes he sucked on my breasts and nipples, and when his mouth wasn't there, I'd get this wild suction feeling, as if my entire breasts were being pulled up into a giant sucking mouth. Then I knelt over him and we started kissing really tonguey and frantically and deep while he fucked me with his thumb and his other hand played with my ass.

When it's wildly erotic like that, I like the ass business soft, and the clit play right on the spot. I also like the strong, pointy feel of his tongue in my mouth. His tongue makes me want to put my pussy right over it and have him suck and lick it until I cannot hang on any longer.

I have to admit that the rest of the night is a blur. As I panted to catch my breath and kissed him goodnight, I declared the evening almost entirely indescribable but here I am sitting in the next room about to write you this email. I hope that I can describe it well enough so you can appreciate a good lover. But now that I've finished, I think it's time to wake him and do it all againl. Byeeee!

HONEY DIP'S ROOM SERVICE

Don't let my size fool you. I'm only five feet tall but I can suck and fuck with the best of them. The good thing is that, because I'm small, everything is a little smaller, a little tighter. And guys like that. But that doesn't mean my mouth and pussy can't handle a big cock. I dare guys to 'bring it on' and test me. They are all pretty shocked when they see the entire thing disappear down my throat or deep into my soaking wet pussy.

When I'm asked why I do adult photos and videos, I tell them because I can. I just so happen to love sex. I grew up in a house where things were very open about it and so I was comfortable with it. After I did a shoot or two, I got comfortable with a camera, and then when guys became involved, it took a time or two but I got comfortable with that, too. All the guys early on in my career were very patient and nice, so it was easy to relax and fuck them. Since I'm still a newbie, I haven't tried a group scene yet, and can't wait to do a girl, or two!
